    // ...  
  
    @available(iOS 13.0, *)  
    case automatic  
}
```

```
public enum UIModalPresentationStyle : Int {  
    case fullScreen  
    case pageSheet  
    case formSheet  
  
    // ...  
  
    @available(iOS 13.0, *)  
    case automatic  
}
```

# Modal Presentation Style

- ✓ Automatic
- Full Screen
- Current Context
- Page Sheet
- Form Sheet

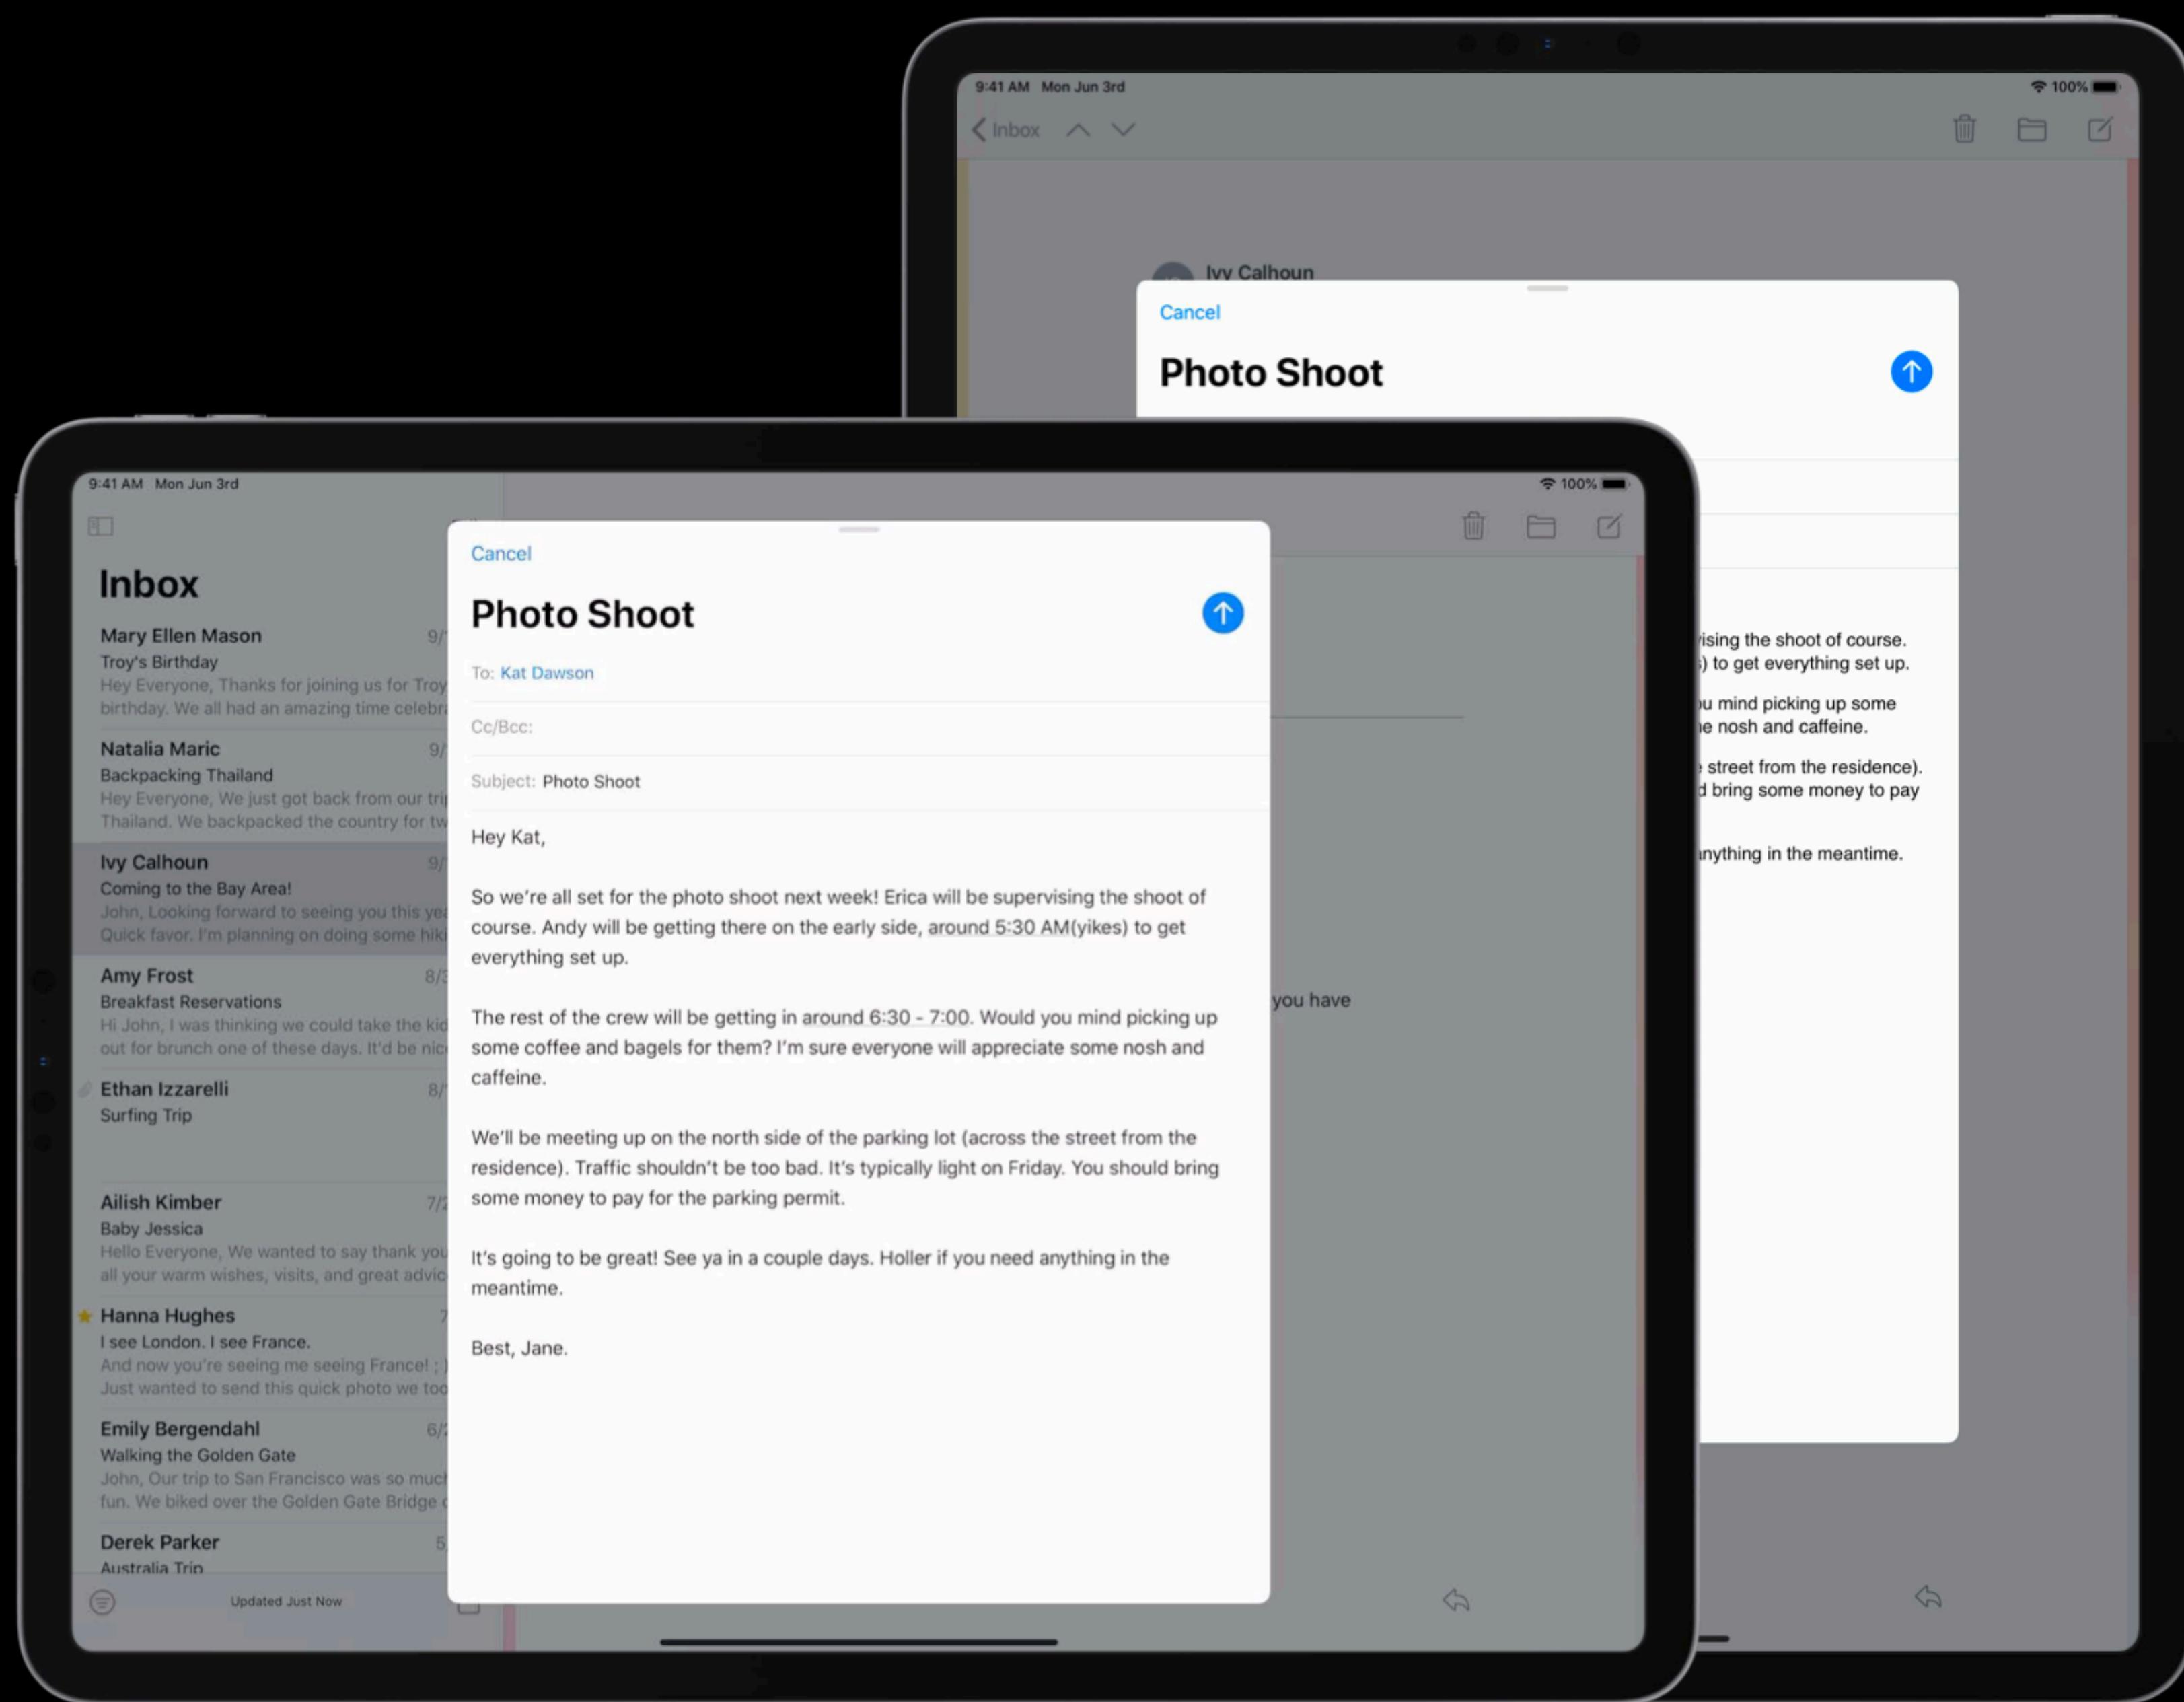

---

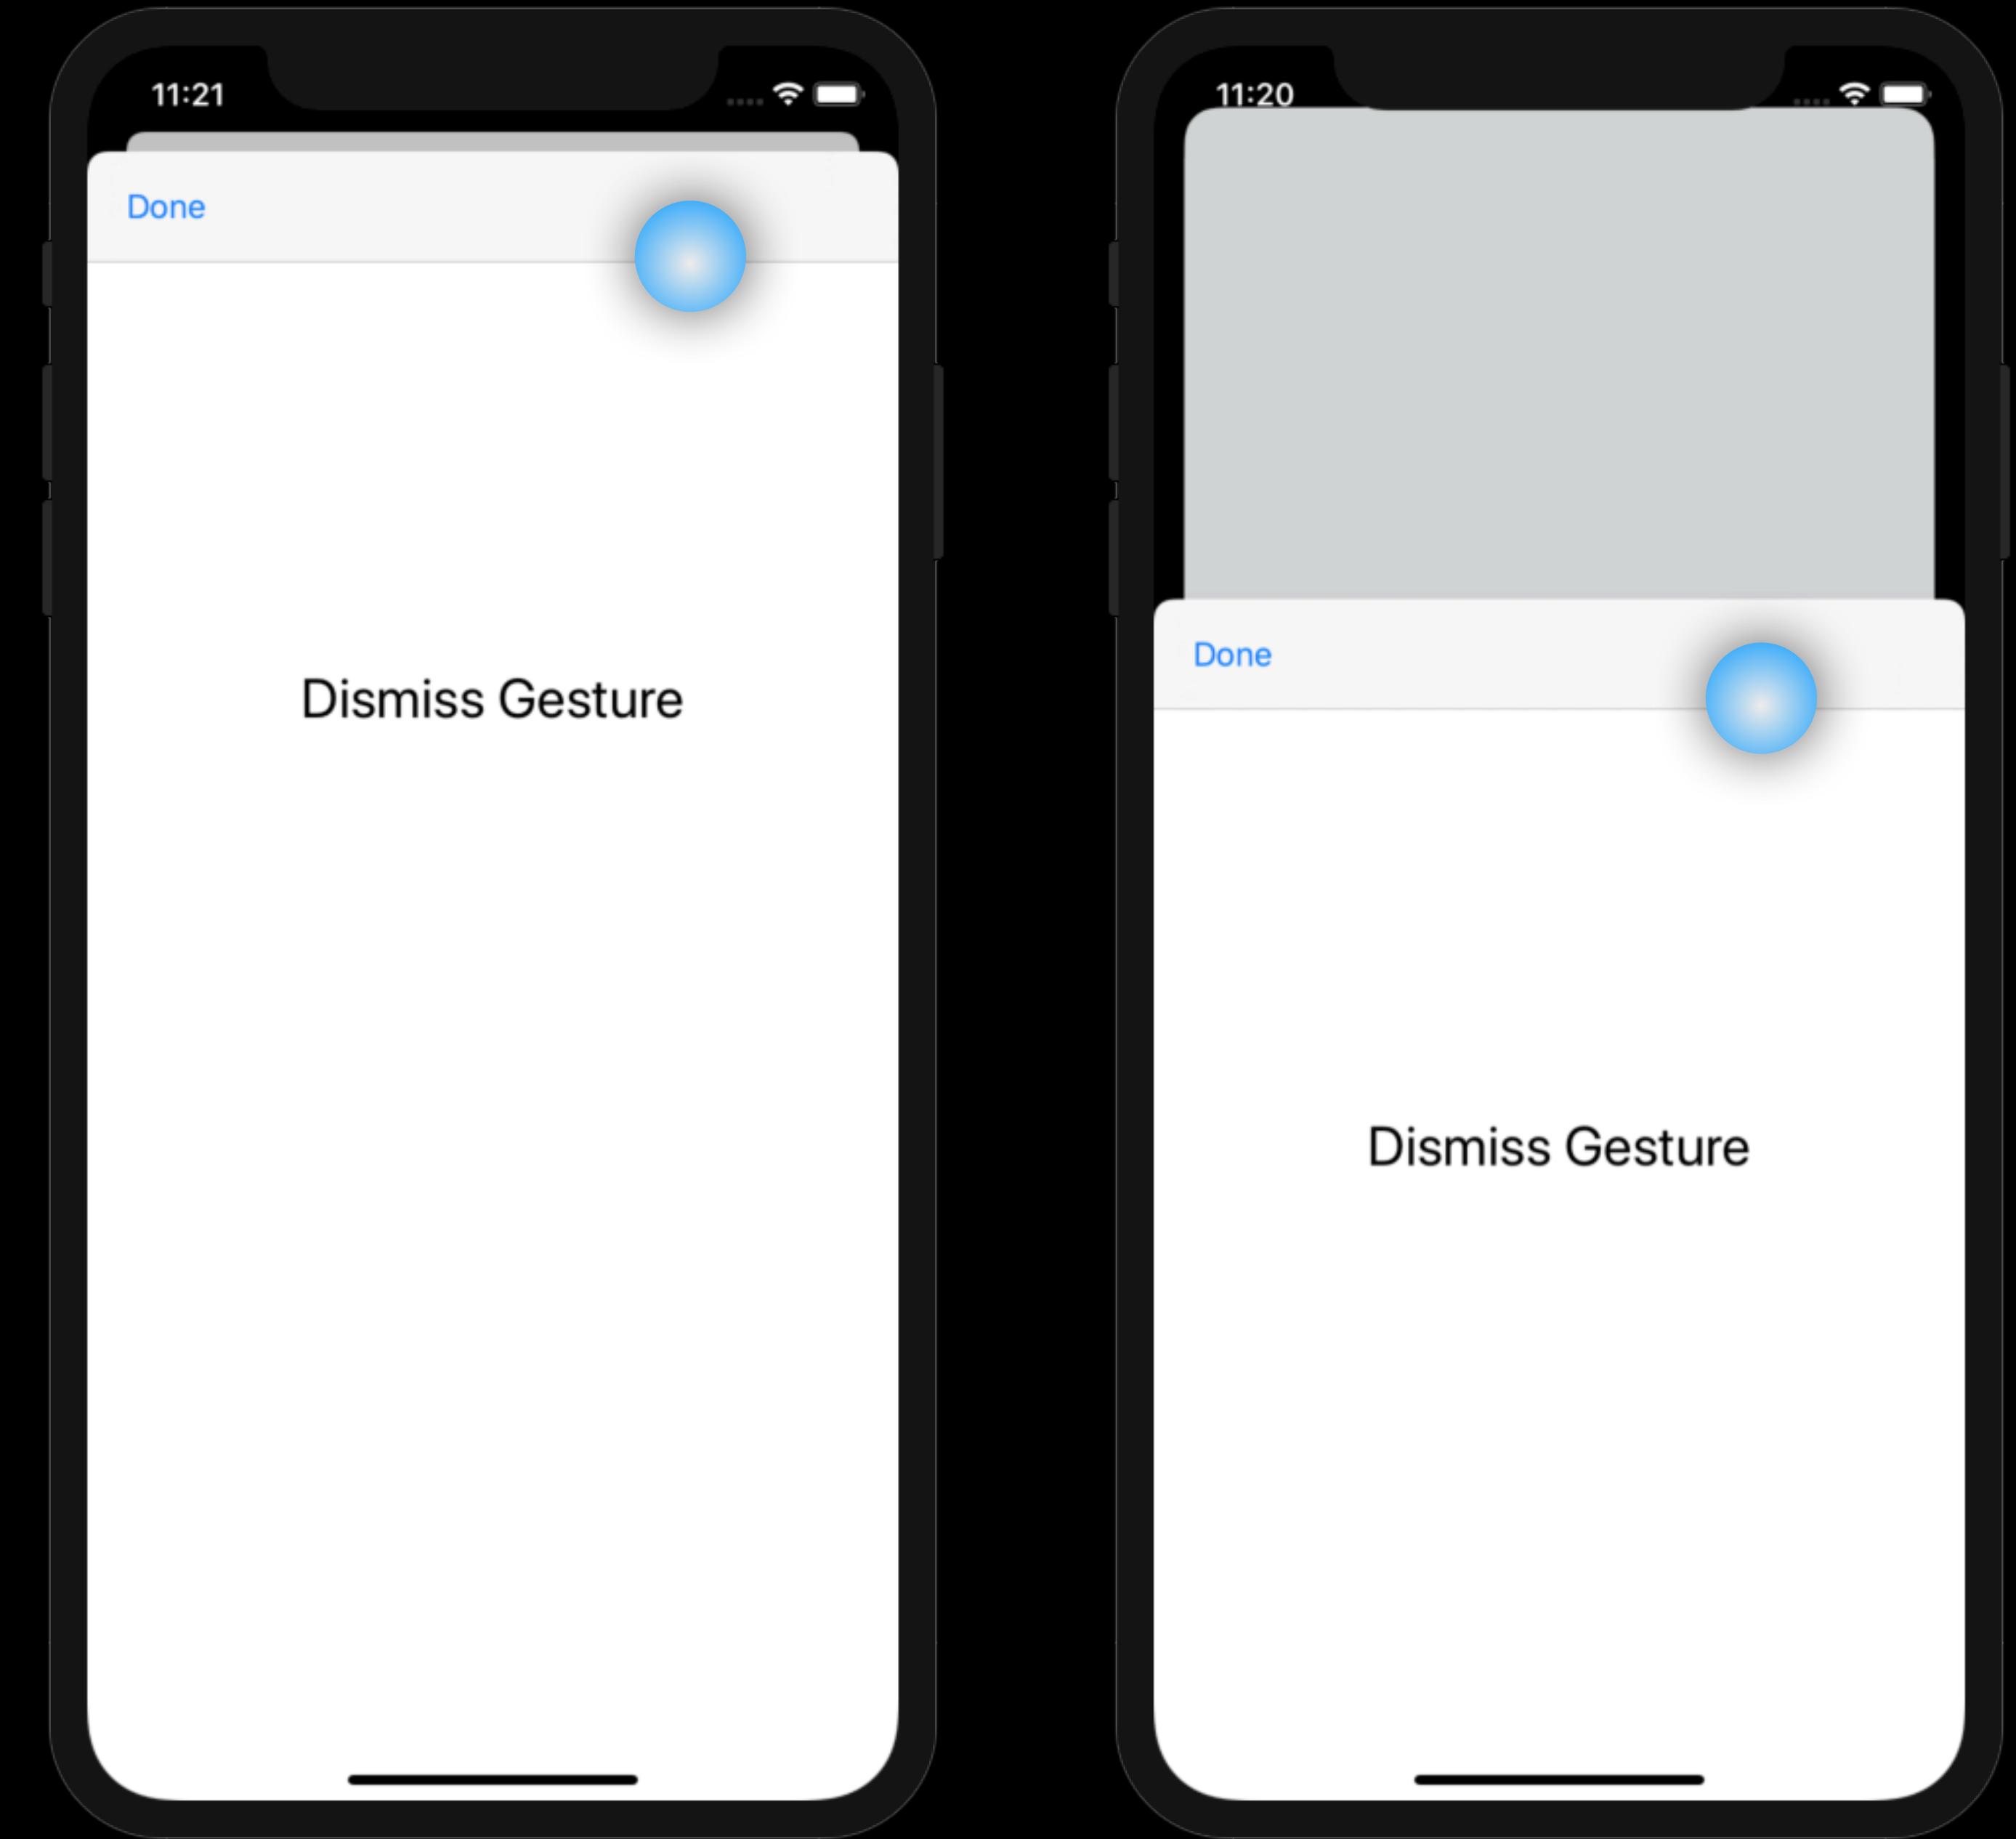

- Over Full Screen
- Over Current Context

사진찍는 것은 카드형이 안어울려서 자동으로 풀스크린으로 설정됨(automatic)
